MEMORANDUM FOR: v303 FG Personnel

FROM: v303rd Fighter Group
4311 Washington Blvd.
Nellis AFB, NV, United States 89191

SUBJECT: TDY IN SUPPORT OF PACAF TRAINING & ALERT EXERCISES

- (a) v303 FG MANUAL 11-2, v303 FG Mariana Islands IFG, v303 FG Andersen AFB LAO
- (b) Aircrew Operations Portal/Mission Update System

1. Effective at 0500 on 1 February, 2023 you are hereby ordered to report to your assigned aircraft for TDY ferry-flight into the Pacific theatre in support of PACAF operations, or begin in-transit operations to Andersen AFB – as required.
2. In the weeks leading up to this TDY you will be expected to complete individual awareness recaps of foundational Mariana Islands navigation, Andersen AFB ramp coordination. Additional details regarding pre-TDY training will be disseminated through command channels.
3. Our mission for PACAF - Mariana Islands is as follows:
 - a. **To continue range training and proficiency over the Naval environment.**
 - b. Ensure Freedom of Navigation in international waters.
 - c. Force Projection and Deterrence of Chinese PLA forces in the region.
 - d. Other humanitarian Missions of support as may be directed by PACAF.
4. In addition to the A-10Cs, F-16Cs of the v303rd FG, there may be aircraft from the 36th Air Wing also deployed to Guam for force projection and higher headquarters directives, as well as KC-135 tankers and E-3A AWACS support aircraft.
5. Per diplomatic agreements between the State Department and Guam, US military aircraft are only authorized to operate from Andersen AFB in order to minimize our visibility to their citizens. Landing at any other civil or military airfield will cause an international incident.
6. Any questions regarding this deployment can be directed to your Flight Lead, or Squadron Command Staff member. Please begin to prepare, and good luck!
